WINTER CUT D GLOVES

Cut resistance

Winter

Durability

Puncture resistance & Grip performance

FEATURES

- Winter insulation and dual acrylic liner will keep the hand warm while working in cold conditions.
- Improved water permeability in wet environments due to a ¾ double latex dipping on palm and fingers.
- 15 Gauge in the outer liner and 10 gauge in the inner liner, allowing good dexterity.
- European Certified for cut and cold resistance protection: EN ISO 21420, EN388:2016 (3X43D), EN511 (X1X), UKCA, EAC, Ukraine.
